The Hon. Andrew W. Mellon
Secretary of the Treasury
Washington, D. C.

Dear Sir:

The Council of the American Numismatic Society, a National organization of over six hundred members, desire to express to you their fullest approbation of your proposed transfer of the Mint Collection now at Philadelphia to the National Museum at Washington. The Society feels that only in this way can full justice be done to that splendid collection. Furthermore, the proposed change would most certainly be for the best interests of the Nation as a whole, and would tend to the advantage of the science of numismatics and increase of knowledge.

Faithfully yours,

President
